

COMO CRECE UNA PLANTA?

VAS A NECESITAR

You need:

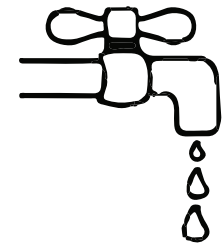

ALGODON
Cotton

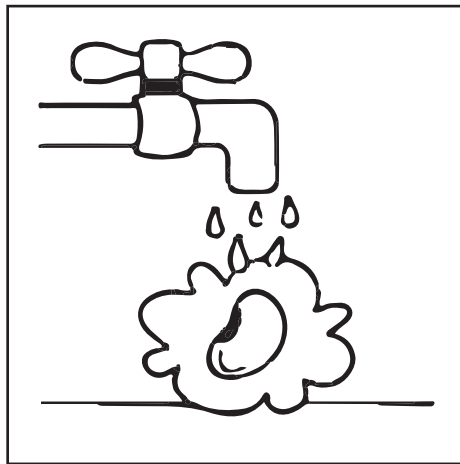

FRIJOL
Bean

VASO O BOLSA TRANSPARENTE
Glass or Ziplock

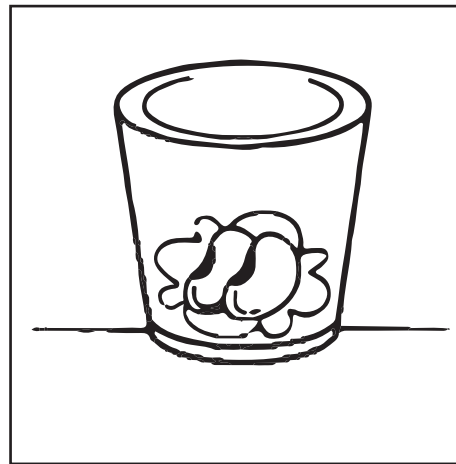

AGUA
Water

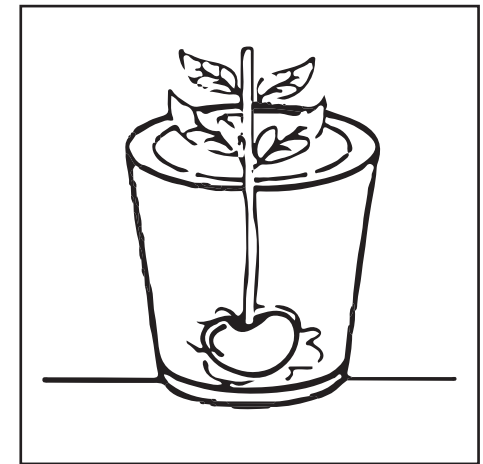

1. Coloca el frijol en un poco de algodón y humedecelo.

1. Put the beans in a little cotton and moisten it.

2. Coloca el algodón y el frijol dentro del vaso o la bolsa plástica.

2. Place the cotton and bean inside the glass or plastic bag.

3. Observa como el frijol se va convirtiendo en una planta.

3. Observe how the bean becomes a plant.
